

2024-2025 Academic Calendar

All visiting student rotations are scheduled as 4-week block rotations only. Rotations must be scheduled based on our academic calendar (dates listed below). Exceptions are unlikely to avoid overlap and to allow maximum number of rotators. Each student is limited to a maximum of two *different* elective rotations (courses).

Remember, priority is given to our own students for scheduling electives. Therefore, confirmation will not be given to visiting students more than 30-60 days prior to the start date.
