

## Step 2: Prerequisites, Admissions Application, & Admissions Onboarding Process

### Admissions Prerequisites:

An applicant must: 1) be a legal U.S. resident, who actively resides in the USA, 2) be actively licensed as a registered nurse with a baccalaureate degree, or baccalaureate degree in a field other than nursing with demonstrated baccalaureate level nursing competencies in the areas of health assessment, leadership and management, research and statistics, and community health nursing, and 3) have a minimum of one full years' RN clinical experience within the last five years prior to enrolling in this program.

### Admissions Application Form & \$200 Non-Refundable Registration Fee:

To start your admissions process, first complete and submit your online admissions application form and \$200 non-refundable application fee at: <https://forms.office.com/r/q0DJ4qvUhi>

At the end of the application process, you will be routed to our program's secure financial payment system to remit your \$200 non-refundable application fee. **We must receive your \$200 along with your admissions application before you will be entered into our RedCarpet admissions onboarding system.** RedCarpet will activate the start of your automated admissions onboarding process and the system will send you a welcome email with your applicant user account information and instructions. Wait time for your email generally is up to five business days.

As you await your RedCarpet-Silkroad welcome email, you should proceed with the next three steps:

- A) Order your official college e-transcripts. E-transcripts must be **emailed** directly from your college university to our business office. **This is the necessary method of delivery to us. As we work remotely out of our home/residential offices, and we cannot acquire paper transcripts mailed to a physical address.**
  - If your university utilizes an online electronic clearinghouse for e-transcript submissions, please instruct them to email transcripts to [WOCschool@ccf.org](mailto:WOCschool@ccf.org).
  - If your university can only mail transcripts, then kindly call our business office (216-317-7163) first before you place your transcript order with your university for a "work around" submission resolution.
- B) Ensure your resume or CV is current. As you will be required to upload a current version of it into the RedCarpet-Silkroad system.
- C) If electing to complete an "offsite" clinical in your own geographical area, **then you must utilize an approved clinical site and preceptor from our WOC Nursing program's clinical database.** To obtain a list of approved clinical sites and/or preceptors in your state, email an inquiry to [WOCschool@ccf.org](mailto:WOCschool@ccf.org), and be sure to include your U.S. state of residence in the email.

After you acquire a list of approved preceptors and clinical sites from our business office, then it is your responsibility to contact the preceptor and clinical site to secure a clinical placement. **All applicants must secure a preceptor and clinical site as well as notify our office, in writing, of such clinical placement details before the cohort's Final Date to Complete ALL Admissions Requirements as indicated on the class schedule.** Refer to [Step 1: Select a WOC Cohort and Adhere to All Required Dates for Admissions](#) above. (Also refer to [Step 3: Practicum Course Options](#) for specific instructions.)

### Automated RedCarpet Admissions Onboarding System:

**NOTE:** Classes fill quickly and seating is limited and secured on a first come, first served basis by fully finalizing all assigned RedCarpet admissions tasks. Thus, it is extremely important that you create your RedCarpet-Silkroad applicant account and complete your assigned admissions tasks without delays.

Upon receipt of your RedCarpet welcome email, immediately create your user account and log in. **All tasks are in a locked and loaded sequence of events.** So, you must fully finish and then “save & complete” the first set of five tasks before RedCarpet will generate the next series of tasks to you. The task sequences for your completion will be as follows:

**Sequence 3 Action:** Next RedCarpet generates to the applicant an electronic CBI (criminal background investigation) and a HIPAA compliance form for completion.
