PGY2 Internal Medicine Residency Successful Completion Checklist

Staffing 15 weekends per year (30 eight-hour shifts) and 2 Cleveland Clinic-recognized holidays	
Participation in pharmacy residency on-call program, activities and number of shifts to be dependent on departmental needs (approximately 15 24-hour shifts per residency year).	
The resident must achieve for residency (ACHR) all objectives in R1. A resident must ACHR 80% of the objectives in all other required domains. By the end of the residency, there can be no objectives that are rated as Needs Improvement not followed by a Satisfactory Progress or Achieved during the residency.
