Resident Conference	Large Project Results																								
Resident Conference	Small Project Defense																								
Resident Conference	Small Project Results																								
Neurology Pharmacy Conference	Present per schedule (minimum 5 presentations)																								
APPE Student presentation	Topic TBD																								

PGY2 Neurology Residency Successful Completion Checklist

Present and/or attend a regional conference (ie. OCCP) and/or a national conference (ie. ASHP, ACCP, AAN, NCS, etc.) at the discretion of the RPD and Residency Committee (based on travel limitations imposed by Cleveland Clinic)	
Staffing 15 weekends per year (30 x 8-hour shifts) and 2 Cleveland Clinic-recognized holidays (subject to change depending on department needs)	
Participation in pharmacy residency on-call program (activities and number of shifts are dependent on departmental needs, minimum 10 x 24-hour pager coverage/6-hr on site shifts)	
Participation in the pharmacy 2CLOT service as the primary responder for at least 30 shifts (shift = minimum of 4 hours of holding the pager), this can be completed as a part of weekend staffing and/or clinical rotations	
Completion of all PharmAcademic evaluations	
A resident must achieve for the residency (ACHR) all objectives in R1 (Patient Care). A resident must also ACHR 80% of the objectives in all other required domains. By the end of the residency, there can be no objectives that are rated as Needs Improvement not followed by a Satisfactory Progress or Achieved during the residency
